

# 6" of rain in 24 hrs – flooding!

---

# Beaver dam is under water

---

# Where are the Beavers?

---

# Bradley building decks

---

# 3 levels of deck

---

# Lots of insulation

---

# Venting the ridge

---

# “R.J.” the electrician

---

# Waiting for lunch!

---

**I'll just have a nap**

---

# Stairs to upper level

---

# What a rough day!

---

# Lots of pressure treated lumber

---

# Girls are home from school

---

# Stair treads are in place

---

# To the upper landing

---

# Sunset through our living room window in Bayfield

---

# Steve combining soy beans

---

# Along the edge of the field

---

# Filling the grain wagons

---

# And even more insulation

---

# Bayfield River has receded

---

# Out front of the house

---

# Back and forth

---

# Insulation awaits installation

---

# Walls and sloped ceilings receive the bats, flat ceiling gets blown insulation

---

# Every space gets filled

---

# Piece by piece

---

# More insulation awaits

---

**Insulation over here**

---

**And some over here**

---

**Hot, sunny day outside**

---

# Wires dangling

---

# Insulation in hand

---

# Main floor walls

---

# More insulation awaits

---

# The crop is coming off the field

---

# Bit of a maze

---

# Finish by dark

---

# Pair of wagons off to the mill

---

# Another pair await

---

**Gotta get this finished**

---

# Windows arrive

---

**Unload them and leave us to it**

---

# One man inside, one man outside

---

# Start of the railings

---

# Awning window for the laundry

---

# Front of the link

---

**The cavalry arrived - that's Rick with his ball peen hammer (lost his regular hammer somewhere)**

---

**Thought it was a woodpecker!**

---

# Rick in – Brad out

---

# “Belly Windows” installed

---

# Upstairs windows are installed

---

# Upper and lower 6 over 6

---

# In dappled sunlight

---

# Newest acquisition – Piaggio P501 Vespacar Pianale from Orillia

---
