

I'll help Dad organize his paperwork

There, that's all done

**20hrs and the main floors are
refinished, first coat of Varathane**

The island goes over the bare spot

1860 pine T&G flooring

I wonder who'd walked this floor?

Towards the entranceway

Mallard ducks in the Bayfield River

Makes me shiver

4 males, two females - feeding

Spent half the day

Afternoon sunlight on the floor

It'll be a bright room

Worn out sandpaper & pads

Winter sunlight on “The Farm”

1860 baseboard & instructions

Set against the heat register

3rd register in the Great Room

Ready for baseboards

Another closet door (back)

Front of the closet door

Tracks in the snow

Down to the river

“J.C” barking at the ducks

Lunchtime – get up here!

Morning blizzard

I want to bark at the ducks

Porch spool trim pieces cut down and used as door stops

From the farm where June grew up

Stops the handle from hitting the wall

Glued in place, clear bumper pad

Master bathroom vanity installed

Baseboards installed

Painted 4 panel bathroom door

Primed, ready for finish paint

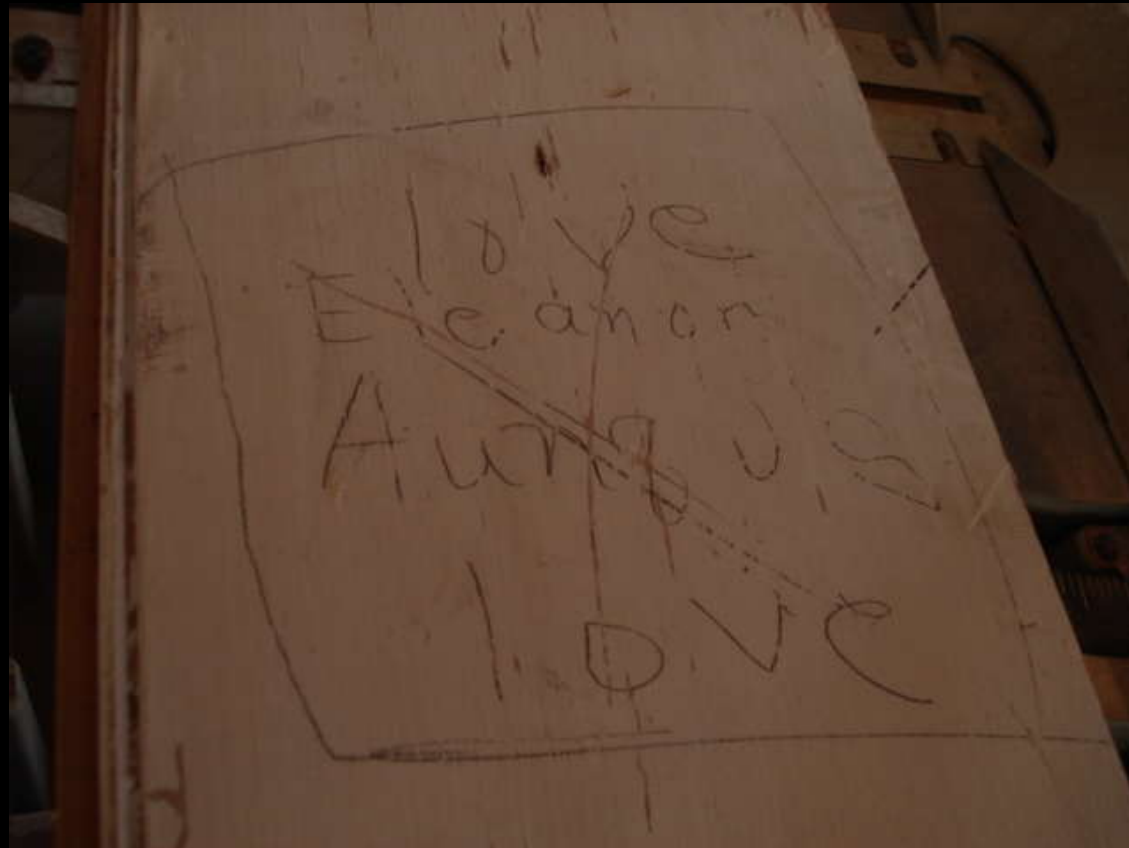

“DNS” Miller (the plumber) should be here soon

“ No Outside Footwear! “

Must talk to Eleanor about Angus

Sunrise on a frozen farmland

That would be “Duke” stuck in the snow & Steve coming to rescue him
